Sponsorship/Donation Requests

Moses & Son Woolbrokers, together with Bluechip Livestock, are committed to giving back to the communities in which we operate. It has been our long term philosophy to support local charities and events that make a difference to the communities of which we service.

Each year we receive an increasing number of requests for sponsorship and donations from all over the nation, unfortunately we are unable to meet all of these requests. The following information outlines the values that highlight our sponsorship and donations philosophy and provides criteria to be eligible for financial or in-kind support.

Each application will be reviewed by Moses & Son.

Who is eligible?

- Charitable organisations that are sheep and wool focused and/or specifically relating to the health and well-being of community members
- Organisations that are endorsed by the Australian Tax Office as a Deductible Gift Recipient (DGR) (Must acquire an invoice for the donation)
- Projects or events that take place in the communities in which we operate
- Programs with measurable social outcomes.
- Can demonstrate positive outcomes for Moses & Son and/or Bluechip Livestock.

Note: This may mean that organizations we have previously supported may no longer qualify for support.

We will not support:

- Political or religious groups
- For profit organisations
- Capital fundraising
- For Personal Profit
- Endowment or trust funds
