Butts for Bucks

We would like to invite you to join our new program designed at providing financial assistance to not-for-profits in our area. We all know how hard committees work at gaining sponsorship and the never ending need for fundraising to keep events, clubs and organisations successful and sustainable.

We at Moses & Son are committed to supporting the communities we live and work in and would like to help you out. We have devised a program that is aimed at giving back to the organisations/clubs that support our local business. For every kilogram of wool that is purchased by Moses & Son through our Rehandle facility (i.e. butts, bags, hobby farmer bales etc) we will donate 10c to your not-for-profit organisation. *(The farmer will still receive the full payment for their wool).*

How does it work?

1. Not for profit organisations complete and return the enclosed registration form.
2. The farmer sells their wool to Moses & Son Rehandle and nominates your registered club/organisation to receive the Moses & Son donation of 10c for every kilogram of their wool sold.
3. The more you promote the program to your farmers and hobby farmers and the more wool they sell to Moses & Son the more money in your account at the end of the year! It is really that simple.

If you would like to take advantage of this program please complete and return the enclosed registration form. Once your form has been processed we will send you information and promotional material to forward to your distribution list. We will also keep you updated regularly with how your donations are tracking.

If you have any questions please contact myself or Liz Oliver on 6977 3100.

Kind regards,

Marty Moses
Managing Director
